Job description

We run an established and fast-growing online two-wheeler marketplace in India. We are expanding globally and are looking to hire a Junior Content Writer to join our team in Bangalore.

This role is ideal for those who are passionate about automobiles.

Job Location:
27th Main, HSR Layout, Bangalore

This is a full time **In-Office Job** and the candidate should be willing to join the company immediately.

Responsibilities:

- Research trending automobile related topics from online sources and produce fresh, interesting and creative content.
- Create content for product descriptions, social media platforms and for our web portals.
- Prepare well-structured drafts using our in-house Content Management System.
- Coordinate and assist the Content Team to create innovative content ideas.
- Use SEO strategies in writing to maximise the online visibility of our websites in search results.
- Identify content gaps and propose new topics.
- Update website content as needed.
- Create, optimise and promote social media posts based on the behaviours of our target audience.

Job description

Job description

Roles and Responsibilities

We are searching for a reliable and passionate English teacher to join our faculty. The English Teachers responsibilities include preparing lesson plans, tests and assignments, supervising students during investigations and experiments, and acting as a field trip chaperone. You should be able to teach students from different backgrounds, with varying aptitudes and interests. To be successful as an English teacher, you should be culturally sensitive, well-organized, and demonstrate insatiable curiosity. Outstanding candidates are not squeamish and can confidently explain bodily functions to teenagers.

English Teacher Responsibilities:

- Preparing and delivering engaging English lessons to students from different backgrounds, who all have different interests and abilities.
- Monitoring student performance, and adjusting teaching strategies and techniques for improved content delivery.
- Establishing classroom and field trip rules and ensuring all students understand and accept them.
- Setting up exams, assessments, and experiments in accordance with curriculum requirements and standards of the state and district.
- Communicating any student issues to parents, counselors, and other relevant staff members.
- Attending school events, club meetings, and staff meetings as required.
- Representing the school at conferences, workshops, and other networking events.
- Coming up with suggestions to improve the English Department and general school operations.
- Building rapport with students so that they feel comfortable and safe discussing sensitive topics in class.

Job description

Stones2Milestones Position Profile

Position Title: Manager
Department: Academics and Content Excellence for fREADom app and live online classes
Location: Remote

About S2M:
We are building the English OS for the World. Like a computer needs an operating system (OS) - the world needs an OS for English as a second language. Built on a decade of research, our product ecosystem is that OS. Please go through what we do, our mission, and our vision on www.stones2milestones.com before applying. Please download the fREADom mobile app from your App or Play Store and explore it thoroughly as well.

Position Summary:
The Academics and Content Excellence team is seeking an experienced educator, curriculum and lesson designer, and a highly motivated person to join our team as a Senior Manager. The Academics and Content team at S2M drives the academic learning journeys, correlated content, and educational products for each child who joins the fold. The team constantly strives to meet international standards of quality for their fREADom live classes and app.
As a senior manager, you will design highly engaging, modular, and interactive language programs, lead projects, and manage curriculum designers, editors, and freelancers. In
