Notice

This is to inform all 5th Semester Programme students that you need to select a new subject, other than the subjects you already have, for your Programme GE paper. That is to say, if you already have Education and History as your programme subjects, you need to opt for another new subject, other than Education and History, for your Programme GE paper. Choose wisely as this new subject paper will continue till your 6th Semester.

In case of confusion, contact any teacher or staff of your institution for clarification.
