FROM THE DESK OF THE PRINCIPAL

As the Head of the institution, Patrasayer Mahavidyalaya, it is an absolute honour for me to introduce the Prospectus of our college for the academic session 2023-2024. To my belief, this will provide our students with a holistic purview of our institution and make them aware of the facilities that we guarantee. The college was established in 2005 with the mission of making higher education accessible to the poor and meritorious students of this economically backward

region of the district of Bankura. The Major and Minor Undergraduate courses offered by the institution are Bengali, English, History, Sanskrit, Geography, Philosophy, Sociology and Education, Political Science, and Physical-Education & Sports. We have a well-equipped college with a lush green campus, smart classrooms, seminar hall, a thriving library and a large playground for the recreation of the students. There are ample numbers of spacious and airy rooms for regular conducting of classes and for that a newly constructed building has been added in recent years. Not only are our faculty members extremely qualified, the college also has highly efficient non-teaching staff to help the students in every possible manner. We also offer financial aid to the economically challenged students through our online portal <https://admissionpatrasayercollege.in/> and special attention is given to the students with disabilities so that an inclusive educational atmosphere can prevail within the institution. Other than the regular academic activities, the college also organises various seminars, special lectures, awareness programmes, workshops and cultural programmes all around the year to ensure holistic development of the students. The college boasts of an enthusiastic NSS unit which organises several socially admirable programmes such as Campus-Cleaning Drives, Blood Donation Camp, Tree plantation etc. in order to shape the young students into respectable and responsible members of the nation in future.

Finally, it brings me immense joy to also share that the college has recently been accredited by NAAC for which I am most sincerely thankful to all the teaching and non-teaching staff of the college. I am also grateful to my students, the alumni, and the guardians whose collective support has brought such fame to this rural abode of learning.

I hope that this college will only progress towards excellence with the relentless support that it receives from its Governing body members, its staff and every other well-wisher of the institution.
