

National Seminar
on
Gender Discrimination in India

On 27.5.2022, Patrasayer Mahavidyalaya was proud to organise a National Seminar on Gender Discrimination in India. Dr. Santosh Koner, Principal, Patrasayer Mahavidyalaya was the Chairperson of the Seminar. As the invited guest speaker, the college was proud to host Dr. H. Marie Evangeline, Assistant Professor of English (SG), Department of Languages, Hindustan Institute of Technology and Science.(HITS) who brilliantly spoke on the topic of “Gender Discrimination in India” and tried her best to influence the students of the college. As representative members of ICC, Ms. Oishi Bhattacharjee, Ms. Aparajita Mukherjee (IQAC Coordinator) and Dr. Ritushree Sengupta collectively worked to make the national seminar a productive event.

As the Chairperson of the Seminar, Dr. Santosh Koner addressed the audience by asserting that Gender Discrimination is a rising issue even at the peak of twenty first century and therefore as an educational institution, Patrasayer Mahavidyalaya understands its significance. As a co-educational institution, the college strictly practices gender equality among its students. His speech was followed by the wonderful discussion conducted by Prof. Evangeline where she interacted with the students and spontaneously clarified their doubts. After that, Dr. Ritushree Sengupta presented a short lecture on “Gender Issues in Modern India”. The concluding lecture was delivered by IQAC coordinator, Ms. Aparajita Mukherjee on the topic of “Gender Issues in Third World Country”.

The seminar ended with a hearty vote of thanks by the Principal.
