

## **WORLD ENVIRONMENT DAY**

**Date: 5.6.2023**

**Time: 11:30 AM**

**Venue: Campus Premises and Virtual Room**

**Patrasayer Mahavidyalaya**

On 5th June, 2023 Patrasayer Mahavidyalaya observed the World Environment Day in collaboration with the NSS unit of the college . The program began at 11:30 am at the virtual room of the college where the faculty members of the college motivated the students with their august presence and words of wisdom. Senior faculty members like Dr. Priya Jyoti Samanta, Ms. Oishi Bhattacharjee, Ms. Samapti Roy (Sain), Mr. SK Manirul presided over the program. Mr. Sanjay Samanta, a faculty member of Environmental Studies specially enlightened the students about environmental awareness and sustainable living. He especially stressed upon keeping a clean and green campus. The NSS Program officer of Patrasayer Mahavidyalaya, Mr. Kousik Nandi encouraged the students and led them to the college ground where they planted a number of trees under the supervision of the other teachers. In keeping with the motto of the World Environment Day for the year 2023“ , Beat the Plastic” the students cleaned the campus and tried their best to remove the plastics from the grounds. The program was designed to spread awareness among the students to make the environment a

better place, to promote sustainable existence and harmonious living. The students were deeply moved by the program and therefore it could be called a success.
