

## REPORT ON ONE DAY WORKSHOP ON SOAP MAKING

A one-day workshop on herbal soap making was organized by the Industrial Research Cell of Patrasayer Mahavidyalaya on 26th March 2025, beginning at 12:30 PM in the college seminar hall. The resource person for the session was Miss Pinky Lama, Assistant Professor and Head of the Department of Political Science, Patrasayer Mahavidyalaya.

The workshop witnessed enthusiastic participation from both students and faculty members, with over 150 students in attendance. The primary objective of the event was to introduce participants to a natural, chemical-free method of soap making, using herbal and organic ingredients that promote healthy skin. The session emphasized the use of eco-friendly practices and materials, aligning with the growing awareness of sustainable living.

During the workshop, participants were provided with a hands-on experience in the preparation of herbal soap using simple, accessible techniques. Under the expert guidance of Assistant Professor Pinky Lama, students were taken step-by-step through the process. The practical session included:

- Melting the soap base
- Adding herbal ingredients such as neem leaves and coconut oil
- Pouring the mixture into molds and allowing it to set

Participants, coming from diverse academic backgrounds, shared a common interest in learning a useful and environmentally friendly skill. The engaging and interactive nature of the workshop made it not only informative but also enjoyable.

The event was a resounding success, offering students an opportunity to acquire practical skills while fostering an appreciation for natural, handmade products. Many attendees expressed interest in making herbal soaps for personal use, while others recognized its potential as a small-scale entrepreneurial venture. Feedback from participants highlighted the value of the workshop in promoting creativity, sustainability, and self-reliance.
