Institutional Distinctiveness

Patrasayer Mahavidyalaya College has permanent affiliation to Bankura University and is recognized under 2F & 12B of UGC. Patrasayer Mahavidyalaya due to its topographical location primarily caters to the educational requirements of the young adults of the rural area. As most of the students come from underprivileged parts of the society, the college has taken several steps to ease their plight on their way to achieving higher education. However, the most important step that the college has taken is the setting up of an extremely strong scholarship section office with a number of competent staff members, which dedicatedly works for the benefit of all the students, especially the ones that are in dire need of economic support. The below mentioned are reflection of institution's distinctiveness.

Various Scholarships:- Scholarships such as 'Kanyashree', 'Swami Vivekananda Merit cum Mean Scholarship' (SVMCM), 'Sitaram Jindal Scholarship' etc. are processed swiftly so that the students can continue with their graduation studies at ease. A full time Assistant Professor has been appointed as Nodal officer who supervise the scholarship wing with utmost zeal and sincerity. All the records related to the students' scholarships are meticulously maintained. The college also ensures that the process is done timely and without any kind of hindrance.

Departmental Seminars and Webinar:- Most of the Departments have organized International/National/State level seminar which have proven to be a strong source of enrichment for the students. Several webinars have also been organized by most of the Departments during the Covid-19 pandemic and subsequent lockdown. The objective of these webinars was to provide the students a means to be part of the academic activities even during lockdown.

Mentor-Mentee Programme:- Patrasayer Mahavidyalaya has introduced Mentor-Mentee Programme from the academic year 2021-2022 in a planned manner. Students are encouraged to share their problems with their mentor regularly. The goal of the mentoring program is to establish a trusting relationship between the mentor and mentee. Mentors offer advice and work as a support structure to bring out the best in the students.

Co-Curricular Activities:-

(i) **NSS**:- The National Service Scheme (NSS) has been an important wing of our institution. As a functional unit, it undertakes several community-oriented activities on a regular basis which not only ensure social welfare but also make the students learn the ideal value system. Social-Outreach campaigns are one of best practices of the NSS, along with conducting Campus Cleaning Drive, Tree Plantation, Blood donation camps and Special Awareness programmes.

(ii) **GARDENING**:- We have a green campus and the students are motivated to keep the campus clean and are often encouraged towards planting more trees. It not only shapes them into ecologically responsible citizens of the global world but also imbibes in them the sense of responsibility and duty towards nature and society. At the same time, it teaches them generosity and inculcates in them the habit of sharing. The practice of gardening has also proven to ensure the physical and mental well-being of the-students.

(iii) **EDUCATIONAL EXCURSIONS**:- Several Department organize Educational tours every year to give the learners first-hand experience in methods of research and surveys. Such tours have proven to motivate the students to become more academically inclined as these tours cater to their study and research requirements.

(iv) **ANNUAL SPORTS**:- Annual Sports is held every year in which students of all departments participate. In addition to the various sports events, friendly matches between students and staff are also conducted. However, physical exercise and activities are stressed upon throughout the year.

(v) **MOCK-PARLIAMENT**:- Every year the students of various departments of our institution take part in the Mock Parliament competition and competitions organised by other colleges under Bankura University. Proper guidance and practice sessions are held beforehand to make the participants well versed in their roles.

CULTURAL ACTIVITIES:-

(i) **COLLEGE SOCIAL:-** To keep the learners in high spirits, the college organizes the Annual Social every year in which the students are encouraged to perform and actively participate. The institution strives to motivate the students to excel both academically and culturally. Several socio-cultural events are organized every year keeping this aim in mind. The college not only encourages but highly promotes music, dance and recitation among the students. The students actively take part in all college programmes.

(ii) **COLLEGE MAGAZINE:-** The college proudly publishes its literary magazine titled **Anirban** under the steady supervision of the teaching and non-teaching staff. Students from all departments are encouraged to submit their creative work for the magazine. Even during the pandemic period, we endeavored to bring out at least a virtual version of the magazine to keep the students-motivated. The students are also encouraged to design and publish their respective Department Wall Magazines that showcases their potential as well.

Future Plans

Established in the year of 2005, Patrasayer Mahavidyalaya has come a long way from a small academic building to a fully functional institute of higher education. The college has already been trying to develop its infrastructure in order to make the learning environment for comfortable for its students. Infrastructural augmentation is an important part of our future plan. In addition, the college hopes to develop department libraries so that the students can have an easier access to texts as well as reference materials. The college also aspires to promote social work among the students and future wishes to organize multiple social outreach programs in future with assistance from NSS and local bodies. Moreover, the college wants to arrange for some more special provisions for the differently-abled students such as multiple wheel chairs and texts and study materials in recording or Braille scripts, so that their needs are also fulfilled in the campus. Lastly, the college wants to start a few more B.A. Honours courses to offer the students a few more choices for their career graphs. In near future, there are also select miscellaneous plans such as organizing a few national and international seminars, establishing a NCC wing in campus, applying for an ISBN number for the college magazine 'Anirban', establishing a college canteen, and start Add-On courses.
